

# Scarlet Street.

**Scarlet Street** is a flexible show that can be expanded from a barbershop quartet to a full big band spectacle. We can perform for up to 40 minutes across one event, which can be separated into smaller sets to compliment your evening's schedule.

Whether you are looking for:

- 3-5 minutes: a fetching little a cappella spot to create a buzz at the start of an event
- 2 x 10 minutes or 2 x 20 minutes: several short segments (either a cappella or to track) to punctuate certain event features
- 40 minutes of glittering production accompanied by a 20-piece big band

For highest impact, a performance length of 3-5 minutes, a cappella or to track, is recommended for us to wow your crowd and leave them wanting more!

We work with the client to create a bespoke performance that will help them realise their entertainment vision for the event. Our flexible package allows us to slot perfectly into a variety of events such as award nights, charity balls, outdoor events, weddings, daytime corporate functions, festivals, dinners and private parties.
